SUBJECT: BURMA: DENMARK ENDORSES U.S. EFFORTS; WILL ADHERE
TO EU POSITION

REF: STATE 121789

Classified By: AMBASSADOR LAURIE FULTON FOR REASONS 1.4 B AND D

(C) On November 30, poloff delivered reftel demarche to Section Head for Burma and Cambodia Mathilde Gry Nielsen, Asia Department, MFA. Nielsen stated that MFA was aware of A/S Campbell's visit to Burma in early November and strongly supported U.S. efforts to encourage GOB to respond to Aung San Suu Kyi's offer of dialogue. Nielsen added that Denmark would follow the EU's lead on how best to support democratic reform in Burma, but also commented that some delay in position formulation may occur as the EU foreign policy apparatus was still working through the recent changes introduced by the Lisbon Treaty.
